NOTES/COMMENTS:

Ms. Hipp,

I am writing regarding obtaining an extension for filing 2009 Annual Report due to the PSC and Office of Regulatory Staff, due 1 April 2010. The reason I am looking for an extension is because my income statements for 2009 are not yet complete, as I am awaiting adjustments from our CPA to record both our annual depreciation expense and to adjust our assets for (3) trucks that were sold in 2009. Until I receive the information back, neither our Income Statement nor Balance sheet will be correct and I want to ensure that I submit correct information to the PSC and ORS rather than having to amend the information returned.

I anticipate receiving the information no later than 15 May 2010, and would like to file for an extension through that date. Please confirm acceptance of this extension or let me know what else needs to be done in order to obtain an extension so that we can file correct amounts.

Thank you for your assistance,

Allyson C. Duran
